

Mass judiciary on brink of disaster, says Cox

Professor Archibald Cox Tuesday night brought his drive for court reform in Massachusetts to Wilmington.

Speaking before some 125 persons at the Woburn Street School, Cox said, "My sense is that this is an idea whose time has come, and it can be done in an important way this year. I think the Legislature should realize that it will not go away, and that Cox will not go away."

The chairman of the Governor's Select Committee on Judiciary Needs, Cox has been a man capable of drawing considerable attention in recent years. He is most famous for his refusal to compromise on the Watergate investigation, which resulted in his dismissal by former President Nixon, in the "Saturday night massacre."

The Tuesday night meeting was presented by the Wilmington League

of Women Voters. Others participating were Paul Sugarman, past president of the Massachusetts Bar Association, and a member of the Governor's Select Committee, and State Senator Alan Sisitsky, a member of the Senate Judiciary Committee.

Cox told the assembly that the judiciary in Massachusetts is "On the brink of disaster." He said that the problems of delay and waste were

crippling our court system.

He cited a recent survey which listed the 12 counties in the U.S. in which it took longest to bring a case to trial. Six of the counties listed, he said, were in Massachusetts.

Delay in bringing criminal cases to trial, he added, is one of the factors in a rising crime rate.

"The waste and much of the delay," he said "is the result of the absence of planning or management."

The Cox Committee has recommended a centralized court system merging the 14 probate, two housing and one land courts into the Superior Court; merging the 72 district courts, four juvenile courts and the Boston Municipal Court into a statewide District Court. Specialized divisions could be established within each level as necessary, but there would be more flexibility in assigning judges, courtrooms and cases.

It also recommends a single budget for the judiciary to take the place of the 417 separate budgets now in existence.

Cox said that with 417 budgets and no consultation among their makers "It is no wonder there is duplication and waste."

Part of the Cox Committee recommendation states that the state should assume the costs of running the courts. The money is now appropriated by the county commissioners and raised by the cities and towns. If the state were to assume court costs, the annual savings on property taxes for the town of Wilmington would be \$269,000, Cox said.

Court reform legislation has been before the Legislature since January. The plan now being considered differs somewhat from the one proposed by the Cox Committee. It states that appointments to non-judicial posts would continue to be made on the district court level.

It also provides that chief justices would be elected by their peers. Cox said that he believed this would tend to politicize the office of chief justice and said also that he was unsure if the provision were constitutional.

A non separability clause has been suggested to be written into the bill which states that if any part of the bill is declared unconstitutional, the rest of the bill may not be considered separately. This would successfully thwart court reform for another year.

Cox suggested that everyone present contact four friends and write letters to their senators and to members of the House Judiciary Committee in support of immediate and effective court reform.

Cox talks

Professor Archibald Cox was a man of many gestures as he spoke on court reform on Tuesday night.

Lynch listens

Wilmington Chief of Police Paul Lynch was one of some 125 people who turned out at the Woburn Street School to hear Prof. Archibald Cox speak on court reform. Michael Kaszynski is at left, and Selectman James Banda is at right.

Fence to enclose Park Street bridge

Safety conditions will improve on the Park Street bridge next month when a new fence enclosure is installed.

The bridge has long been a source of concern for parents in the area. At present, a straight chain link fence provides protection. The new fence will bow over the sidewalk, and will be much harder for a child to climb.

Located near the Woburn Street School in North Wilmington, the bridge is used daily by a large number of children. In 1974, two North Reading children were killed when a car knocked them from the bridge to Route 93 below.

The bridge enclosure is one of 12 which will be installed on bridges over highways, under a contract that has been awarded to the New England Chain Link Fence Co. of Dedham.

In a letter to Rep. James Miceli, Robert Tierney of the Mass. Department of Public Works said that the Park Street bridge will be the first priority in the contract. The contract calls for the 12 bridge enclosures to be completed by June. Tierney's letter said that the Park Street bridge will be done in November.

Two juveniles arrested

Fast work on the part of the Wilmington Police last week recovered a moped and a tape deck stolen from a Powder House Circle home.

Officer James Burke and Sgt. Jay Palmer arrested two 16-year-old youths shortly after 1 p.m. One of the youths was riding on Glendale Circle with the stolen moped.

Officers James Rooney and Mike McKenna assisted in the arrests. Off-duty at the time, they were returning from training when the call came in.

In subsequent investigation, Officer Burke discovered five stolen 10-speed bicycles in an Adams Street home. The bicycles were confiscated.

The man behind the computer is leaving

Ed Sousa, director of data processing for the Wilmington School Department announced recently that he will leave his post at the end of December to accept a better paying position in private industry.

Sousa, who has been working in the computer field for 20 years said that in his year and a half as director, the data processing curriculum has grown tremendously. Currently, he said, 10 per cent of the students in the high school are taking computer courses.

One of Sousa's most noteworthy contributions to the program was to help the town purchase its own computer. Prior to this the school had contracted for computer services on a time sharing basis. There was no in-house system.

The new system was purchased entirely from existing funds and will

Barrel tossers nabbed on bridge

Four juveniles were interrupted in their pastime of using barrels for fun last Tuesday night.

Officer Robert Vassallo arrested the four after they were observed throwing barrels at passing trains from the old Shawsheen Avenue bridge. The incident occurred about 7:15 p.m.

The youths were held for court action.

represent a substantial savings to the town in years to come.

It is presently being used for attendance and report cards as well as classroom instruction.

Sousa squelched a rumor that his departure was the result of discrepancies in pay raises.

He said that although his new position offered a substantial increase in salary, his reasons for leaving the school department were not financial. He said, rather, he was leaving to accept the challenge of a "whole new career." He said that it represented a "once in a lifetime" situation which he just could not refuse.

Sousa said that he will continue to reside in Wilmington and would be happy to offer his assistance to the School Department. "They may call upon me any time," he said.

Girl escapes kidnap attempt

A Wilmington girl escaped the clutches of a would-be kidnapper on Monday afternoon on Wildwood Street.

The girl, a juvenile, reported to Wilmington police that as she was walking about 4 p.m., a man attempted to grab her. She said that he was working or pretending to work on a car parked in the power substation, and that as she passed the

area, he made his attempt. She escaped when a car passed by, scaring the attacker.

She described the man as being around 25 or 30, about six feet tall, heavy-set, and clean-shaven. He was wearing a dark green t-shirt and dungarees. His car was an olive-green four-door model, possible around 1972.

Keep 'em guessing

With construction activity taking place in a few spots in Wilmington, some people have noticed that the Jackson Brothers are doing something with the old Swain lot, opposite Lucci's Market on Lowell St. And just what are they doing? They're not building anything there, but are just trucking in some extra fill from the site of their Andover Street industrial building. They are adding to the building, and when they finish, it will be 600 feet long.

Reunion

Mrs. Gertrude Krey (in front) of Andover Street, North Wilmington was recently reunited with her two sisters after 33 years separation. Frau Valeska Behrens, at left, lives near Magdeburg, Germany. She is visiting the United States on a 90-day pass. Frau Johanna Hoffman, at right, has already returned to her home in West Germany. Mrs. Behrens said that she had no idea how nice it was in this country.

Horribles begin at 6:30

Wilmington's annual collection of Horribles will step off from the Wilmington Police Station on Monday night at 6:30. The only requirement for taking part is a costume. Prizes will be awarded for the best costumes.

The Horribles Parade has become an annual event, held with the hope of eliminating trick-or-treating.

Parade Planning

Plans for the Veterans Day Parade will be discussed at a meeting of the Memorial Day Committee, to be held on Tuesday, November 1 at 8 p.m. in the Legion Hall.

All persons interested in participating in the parade are invited to attend. Information is available at 658-2797.

Correction

The Shawsheen School PAC Halloween Dance will be held at the Sons of Italy Hall on Ballardvale Street on Saturday night.

Last week it was incorrectly reported that it would be in the school.

Kiwanis officers

Wilmington Kiwanians have elected their officers for the coming year. The President-elect is Roger Beaupre, second from the left. -Others are, at left, George Eisenberg, vice president, and Carl Smith, president. Leo Gittzus, at right, is the district lieutenant governor.

MCC offers new service

This fall a new service is being offered at Middlesex Community College. The Division of Continuing Education is offering educational counseling. If you have been planning on furthering your studies, or need help in choosing an academic program, trained counselors at Middlesex Community College can assist you.

Evening counselors will be available at the main campus in Bedford on Monday, Tuesday, Wednesday and Thursday evenings from 6 to 9.

Information about degree programs, academic assistance, financial aid, and transfer programs and procedures to four year institutions, as well as information concerning specific

courses and curriculums, can be provided by a counselor at the college.

Counseling is by appointment only, and those who are interested should contact the Division of Continuing Education at Middlesex Community College, 275-8010, Ext. 260.

In addition, veterans may also receive special counseling services from the Veterans Affairs Office at the college. Some of these services include information concerning work-study programs for veterans, educational loans available to veterans, and special benefits that may be obtained by disabled veterans.

For information call the VA office at 275-8010, Ext. 282-383.

Openings in Story Hour

There are still openings in the Tuesday and Thursday morning groups for four-year-old children wishing to register for Wilmington Memorial Library's Fall Story Hour Program which will begin November 1 and run through December 1 followed by a Christmas Program for pre-school children of all ages on December 15.

The free program for the four-year-olds will follow the four weeks of informal films shown during October for pre-school children and will feature stories, books, fingerplays and children's songs, presented in a series of four 45 minute sessions.

For information or to register, call the Children's Department at the library, 658-2987.

LETTERS

Dear Larz:

A few weeks ago you ran an article on, I believe, the front page, on the problems of a hot water heater. It dealt with a "rotten egg" odor coming from the hot water and it indicated what the solution to the problem was.

I never envisioned such a problem occurring to me, so I did not save the article. I have since disposed of the paper. I would appreciate receiving a reprint of the article in question.

Yours truly,
Joseph G. Zukas

That story was in the Wilmington edition of Sept. 24th and related the adventures of Wilfred Lemos of Parker Street, Wilmington. A special copy is being mailed to you.

You are, incidentally, Number Three person to ask for that article.

Dear Larz:

I would like to thank Marilyn MacKinnon in last week's Town Crier for her concern of trying to get her "tax money's worth" out of the High School Band. As a former member of the High School Band (Class of '77) I would like to mention the band is overflowing with "school spirit." In fact, at the last

game the band was asked to remain silent due to its "interference" with the plays.

I would also like to interject that some members of the band are devout in their religions. These members have prior commitments to their churches on Sundays regardless if it rains or not. It is at this point that I ask, although I feel that I shouldn't have to, "to whom do we owe our loyalty, football half-times or God?" I believe that we can all answer this question intelligently.

I also ask Ms. MacKinnon and any of you who support her letter, "where are you all when the band needs your support at its concerts?" There are always a few loyal people who show up, but there are seldom any new faces. Last Spring the band went on a tour of the Midwest and Canada, all auditoriums we played were packed. The high school auditorium is lucky to be half full on the night of the concert. This implies the town is only interested in the band's performances at football games and parades. This means a deficit in culture.

For those of you who do not know, the course entitled "band" is only a three credit course, the amount of work done by a student equals about six credits. (A major being equal to five credits). Band has been known on many occasions to occupy a student's whole week with practices

and performances. If a student decides to elect Band as a course they are subject to tough discipline. The band runs high in spirit, but may be a little more credit would help. In my freshman year of band we had a different bandmaster than we do at the present time. The morale of the band was that of a zoo, the sound was undefined, similar to that of a charging bull elephant. Then in my sophomore year Barbara Mette became bandmaster. She introduced something new to us, discipline, something we never had, and that we were not going to like. Among those who did not like the discipline was myself. Ms. Mette told us that it was for a reason and we could beat any band going if we wanted to.

I never realized it at the time, but music is a discipline in itself. Ms. Mette and discipline were not too popular in those days. As I graduated last spring I kind of wished that she had been there in my freshman year. From the time she arrived she has molded an excellent marching band with a wall of sound which made the larger bands tip their hats in respect after our half-time shows. I still remember the day that first happened, proving that discipline is well worth its aggravation.

I believe we improved 1000% since the time Ms. Mette arrived. Barbara

Mette has made us care about ourselves, our school, town, and music. She is to be commended on her past and present work as bandmaster.

Respectfully submitted,
Ed Reynolds

Halady; "Eco Tips on Solar Energy;" "Solar Home Design in Four Climates;" "Solar Energy and Shelter Design;" "Solar Age," a periodical; "Disappearing Energy;" "Energy in an Age of Limited Availability;" "Informal Directory of Organizations and People in the Solar Heating of Buildings."

rush hour last Friday morning.

Stopping cars to pave the road at that time of day? Automobiles were backed up everywhere, including both exits of Route 93, which is hazardous under normal conditions. Of course, Wilmington's "finest" was standing in the middle of this watching. (He had to be watching, for nobody can direct traffic with his hands in his pockets). How many employees were recorded as late through no fault of their own?

At Compugraphic our arrival time was after 8:30 and it all could have been prevented by using common sense. Apparently that commodity is in short supply lately.

Kevin Boyle played well in the C nets.

Pee Wee Intramural

The Pee Wee D's took a 4-2 decision over the Pee Wee E's

in an action-filled game. Mark Perry pocketed an unassisted goal to start the scoring for the D's in the opening period. Bobby Duncan scored unassisted to even the score, but the D's came right back with a goal by Scott Sutherland from Peter Sartori and Richard Morel.

Sean Sullivan netted the insurance marker in the final period followed by a fourth D goal scored by Peter Sartori. Bobby Duncan got his second goal of the night aided by some solid stick-handling.

Goalie Mike Salerno turned back several tough shots in the E nets.

Pee Wee E's win

On October 23 the Pee Wee E team defeated the Pee Wee C team by a score of 6-3.

With 20 seconds to play in the first period Peanut Bassett carried the puck from his own

end to score his first goal of the season. Neal Mainey scored to start the second period with help from Dean Sutherland. Danny Simard then slipped one home with help from Andy Scharmer.

Dean Sutherland recorded his first goal of the season on assists from Bassett and Andy Scharmer.

The third period opened with quick goals by the C team. Mike Broderick notched the first from Billy Panepinto and George Brady with the second being scored by Mike Panepinto from Bobby Haggerty and Greg Hill.

Dean Sutherland came back with his second goal of the night from Bassett. Steve Silk scored on the power play for the C team with the assist going to Chris Hill.

The Billerica Indians won Saturday's MVC soccer showdown with John Connell scoring the WHS goal on a penalty shot.

Here Wildcat tri-captain Tom Stewart leaps in an effort to head ball downfield. Wildcats were upset by Lawrence 2-1 yesterday for their third MVC loss.

WHS field hockey

Methuen upsets Wildcats

Wilmington High's first place field hockey squad went down to its second defeat of the MVC season last week as the Methuen Rangers nipped the girls with three goals on a muddy field.

The Rangers have handed the MVC leaders their only defeats of the season. The field conditions and the aggressive Methuen offense played major roles in last Friday's loss.

The girls rebounded nicely yesterday (October 25) with a 1-0 blanking of Billerica. Janet Zambarnardi scored the game winner as she finished off a super effort. Janet carried the ball 50 yards through six Indians to pocket the only goal of the game. Sandy Joyce, Kathy Butters, and Ann Gillis played well on defense for the

winners while goaltender Marianne DeVita had three saves for the game.

The two game split gives the MVC leaders a 9-2-0 mark with three home games coming up. The first tilt is tomorrow (Oct. 27) against the struggling Tewksbury team. Game time is 3:30 p.m.

Drop Lancers 13-8

Bibeau, defense pace Wildcats

Senior running back Jim Bibeau had his best day as a Wildcat with 17 carries for 84 yards and the defense set up the winning touchdown with linebacker Dave Rounds scampering 40 yards on an interception as the Wildcats shaded Lawrence 13-8 last Saturday in MVC football action.

Wilmington struck first in the opening quarter on a 16 play-59 yard march triggered by a Sal Carbone interception. Wilmington's longest drive of the season was led by Bibeau with runs of 13, seven and six yards.

The big play of the drive came on a third and eight situation when Steve Woods passed to Bibeau for a 16 yard gain for the first down. Woods then hit Art Sughrue for the score. Chris Briggs' kick was low, but the Wildcats had notched a 6-0 lead.

In the second quarter after both teams exchanged punts, Lancer quarterback Sam Johnson let go with an errant toss that Dave Rounds intercepted and returned 40 yards for the second WHS score. Briggs converted on his second point after for a 13-0 WHS lead.

Before the half ended the Wildcats had another chance to cash in on a

Lancer mistake when Rounds recovered a fumble on the Lawrence 15. Three incomplete passes killed the threat at the end of the half.

The third quarter opened with a nine yard burst by Bibeau followed by a Tim Moran fumble that Lawrence recovered at the Cat 40.

Thirteen plays, three first downs later Johnson scored the lone LHS touchdown from three yards out. The rush for two points was good and the WHS lead was cut to 13-8.

Late in the fourth quarter, Wilmington had another chance to put the game away, moving from the Lawrence 30 down to the five yard line before the march died.

The Lancers took over and in four plays couldn't move as time expired.

The gap in the MVC race widens with Billerica and Tewksbury losing leaving Andover at 4-1 a game behind the unbeaten Dracut Middies at 5-0. Wilmington remains in a third place tie with a 3-2 mark.

Mark Falcon's 35 yard field goal with 24 seconds left kept Jim Tildsley's freshmen perfect as they beat Lawrence 9-6.

Saturday Wilmington travels to

Chelmsford to battle the Lions who are 3-1-1. Chelmsford topped Tewksbury 9-6 last Saturday.

Both junior varsity and freshmen squads are at home next week.

Youth Hockey Highlights

Bantam B's win tenth straight

Goaltender Scott Campbell posted his first shutout in the Middlesex League last week with a 6-0 blanking of Somerville as the Bantam B's rolled to their tenth straight Youth Hockey League win. The undefeated Wilmington team (10-0-0) outshot the losers 30-18.

Defenseman Jim Conti helped get his club on the board in the first period when he ripped a blast from the point that was tipped in by Brian McLean for the first goal of the game.

Mark Deyab made it 2-0 when he scored assisted by Chuck McNeil and McLean.

It was more Bantam B domination in the second period when Donny Josephson gave his team a three goal lead when he scored on a helpers from Darryl MacDonald and John Cushing. McLean then pumped home his second goal of the game with the assists going to Deyab and McNeil.

The B's picked up two more goals in the final period as John Cushing scored an unassisted goal and Deyab pocketed his second goal with assists from McNeil and George Boudreau.

The Bantam B's take to the home ice at the Wilmington Arena tonight (Oct. 28) with a 9:10 game against the Billerica I team. The next home game is Saturday (Oct. 29) with a 6:25 p.m. tilt vs the Somerville II team. Sunday (Oct. 30) the team travels to the Burlington Ice Palace to battle Melrose at 2:20 p.m.

Squirt A's nip Woburn
The Wilmington Squirt A's nipped Woburn 1-0 Saturday in a defensive minded Youth Hockey battle. The Squirt A traveling team got off to a slow start in this one - forcing net-minder Bill Wolfe to hold off the Woburn club until the Wilmington offense could get untracked.

The A's pressed the offense in

period two - but failed to score. The final period brought better results however as Scott Fuller got the game's only goal at the 4:11 mark when he let go a low drive that the Woburn goaltender stopped before fumbling the disc into the net. Scott Poole, Ken Richter, and S. Fuller had several excellent scoring opportunities in the game. Defenseman Bill Woods who had an assist on the Fuller goal, played a fine game at both ends of the ice.

Sunday (Oct. 23) Wilmington and Lowell scrapped to a 1-1 tie. The game was highlighted by heavy checking by both teams. The teams had numerous scoring chances with Squirt goaltender Wolfe keeping his team in the game with solid work around his net. Ken Richter scored the lone Wilmington goal at 3:02 of the second period on a Scott Fuller assist. The Squirts came close to pulling a win out when Dave Buzzell's quick shot with seven seconds left in the game struck the left post. Dave Richards and Tom Craig turned in solid games for the Wilmington team.

The Squirt A's take their 6-3-2 record into games with Medford October 29 and Melrose October 30.

Bantam A's top Acton

The Bantam A's improved their record to 4-2-2 last Thursday (Oct. 20) with an 8-3 win over Acton in the most penalized game of the year for the Wilmington team. Thirty penalties were called in the game. Wilmington fell behind 3-1 at the 12:16 mark of the second period before they pumped in three scores in that second period, including a shorthanded goal by Bob Lowney assisted by Duggan and Ford. The A's scored four goals in the third period to put the game away.

Doug Wiberg led the winning attack

with a goal and three assists. Foley, Smith and Lowney had two goals apiece while Surrette added the other Bantam A lamplighter. Assists went to Ford with two, and Duggan and Zambarnardi with one each.

A correction of last week's Bantam A highlight - the 185 foot shot into Arlington's empty net was scored by Bobby Lowney on an assist from Walter Surrette. The goal iced a 5-3 win for the A's.

The team's next game is at Wilmington tomorrow night (Oct. 27) with a 9:35 starting time against Peabody. Sunday (Oct. 30) the A's play Melrose at Burlington in a 5:30 p.m. start.

Squirt B's bop Reading

Digging was the key word in the B's only game last week as the team skated to a convincing 6-4 win over Reading.

Dante DeMarco scored the first Wilmington goal with assists to Dave Needham and Tom Bachand. In the second period Chris Athanasia finished off passes from John McLaughlin and Mark Bere. Then it was Bachand's turn to put one on the scoreboard from Needham and DeMarco. Eric Ouellette added to the B's total from Sean Brennan and Steve Hunt. Steve Zuccaro closed out Wilmington's four goal barrage in the second period with the assist going to Ralph Newhouse.

Newhouse gave Wilmington an insurance goal from Ouellette. The B's face a stiff test this week with two games against a strong Medford squad.

Family Football Day

Harvard University and the Wilmington Pop Warner Football Association are set to join forces in the Family Football Day at Harvard on Saturday, November 5. Ivy League championship contenders Harvard and Pennsylvania will battle it out at the Stadium in Cambridge at 1:30 p.m. with a junior football exhibition slated as the highlight of the halftime entertainment.

"We started this last year," says Harvard coach Joe Restic. "Now we've expanded it to include the North Shore Conference and the Central

Massachusetts Youth League to cover Eastern Massachusetts. This could be the biggest junior football day ever in Massachusetts. My only regret about last year was that I was in the locker room and missed the halftime exhibition. Everyone told me it was great football."

Over 90 towns have been invited to participate in the annual day. Harvard is offering regular \$4.00 tickets at \$2.00 to benefit the junior programs in the towns. Contact your local junior team or Mr. Howard at 658-9824 for further information.
